Exhibit E

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 1985

1. STATUS OF THE BRANCH:

The Liquor Distribution Branch obtains its authority for operation from the Liquor Distribution Act which is administered by the Ministry of Consumer and Corporate Affairs. As stated in Section 2 of this Act, the Branch has the sole right to purchase both in and out of the Province liquor for resale and reuse in the Province in accordance with the provisions of the Importation of Intoxicating Liquors Act (Canada).

2. SIGNIFICANT ACCOUNTING POLICIES:

As prescribed by Section 18 of the Liquor Distribution Act, the financial statements of the Branch are prepared in accordance with generally accepted accounting principles.

The financial transactions of the Branch are also included in the financial statements of the Combined General Fund and Special Funds of the Government of the Province of British Columbia. The amounts are adjusted for differences in the accounting policies of the Branch from those of the Government.

Significant accounting policies followed in the preparation of these financial statements are:

a) Inventories are valued at the latest landed cost.

b) Fixed assets are depreciated on a straight line basis as follows:

Buildings	— 7½% per annum
Leasehold Improvements	— a minimum of 10% per annum or a rate sufficient to write off the cost over the remaining life of the respective lease.
Furniture, Fixtures and Equipment	— 25% per annum

3. FIXED ASSET

	1985		1984	
	Cost	Accumulated Depreciation	Cost	Accumulated Depreciation
	$	$	$	$
Land	1,122,657	—	1,124,183	—
Buildings	11,260,690	6,086,992	11,382,755	5,652,725
Leasehold improvements	4,610,678	2,030,645	4,584,261	1,478,465
Furniture, fixtures and equipment	16,685,706	13,600,879	15,623,988	11,402,971
	33,679,731	21,718,516	32,715,187	18,534,161
NET BOOK VALUE	11,961,215		14,181,026	

4. SALES

The Branch is responsible for sales of liquor in the Province. The majority of liquor is sold by the Branch itself; however, the Branch has authorized manufacturers in certain situations to sell directly to licensees and consumers.

	1985	1984
	$	$
Total Branch sales	887,183,912	857,511,493
Less non-alcoholic products	752,537	810,932
	886,431,375	856,700,561
Other authorized sales not included in these financial statements:		
Direct deliveries to licensees by Brewers' agent	157,575,250	152,875,111
Brew pubs	240,703	104,354
Commercial wineries	2,830,186	2,139,666
	160,646,139	155,119,131
TOTAL SALES OF LIQUOR IN THE PROVINCE	1,047,077,514	1,011,819,692

The Branch has authorized the brewers' agent to sell directly to licensees. The Branch has also authorized brew pubs to manufacture and sell directly to the public. The Provincial Malt Levy reported on the income statement represents the margin on these sales.

The Branch has agreements with commercial wineries which allow them to sell directly to the public. Sales by these commercial wineries as reported above will decrease as they enter into consignment agency contracts with the Branch. This will result in the inclusion of the commercial winery sales in the sales of the Branch.

Total sales of liquor in the Province do not include subsequent resale by licensed establishments.

Exhibit E
(continued)

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 1985

5 COMMITMENTS AND CONTINGENCIES

a) Superannuation Fund

Employees of the Branch contribute to the Public Service Superannuation Fund up to 7% of their salaries for basic pension purposes. This includes a portion for cost-of-living indexed increases in pension benefits. The employer contributions to the Superannuation Fund include an amount equal to the employees' contribution plus an additional 2.5% of gross payroll.

An actuarial evaluation of the Public Service Superannuation Fund was made at March 31, 1980. Details of the unfunded liability are described in the Public Service Superannuation Fund financial statements included in the Public Accounts. The portion of the unfunded liability attributable to the Liquor Distribution Branch was not determined by the actuary.

b) Federal Taxes

The Branch maintains inventory in its bonded warehouse for which Federal Taxes have neither been paid nor recorded. As at March 31, 1985, the future liability for these taxes approximates $7,200,000. These taxes are payable when inventory is shipped from the bonded warehouse.

c) Agents' Stocking Program

The Branch has authorized suppliers' agents to import and warehouse liquor for subsequent resale to the Branch. Under this arrangement, the Branch has a contractural obligation to purchase all inventories held by the agent should he opt out of the program. The obligation of the Branch should all agents choose to terminate their contracts, totals approximately $20,077,000 for agents and $12,040,000 for federal taxes as at March 31, 1985.

d) Lease Premises

Total commitments as at March 31, 1985 for lease of premises are as follows:

Year ended March 31, 1986	$ 5,916,000
1987	5,236,000
1988	4,822,000
1989	4,181,000
1990	3,556,000
Subsequent years	9,713,000
TOTAL	$33,424,000

6 SUBSEQUENT EVENT

Subsequent to March 31, 1985, the Minister responsible for the Branch has announced a policy change which will allow licensed hotels and neighbourhood pubs to set up stores to sell refrigerated beer, cider and B.C. wines on the same site as their existing premises and also permit the establishment of B.C. winery shops. The financial effect, if any, on Branch revenues cannot be determined at this time.
